WHY THE INTERNATIONAL TOURISM COLLEGE?

More than a diploma – a pathway to your future.

Academic learning, real-world practice and personal mentoring come together on our safe campus in Austria, in the heart of Europe, preparing students for an international career in tourism and hospitality.

International by Design

English-taught, alongside classmates from around the world, and a global alumni network.

Learning by Doing

A practice-oriented programme built around real projects and a paid internship.

Personal & Supportive

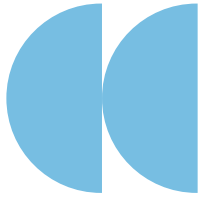

Small classes, personal mentoring and a campus where you live, study and belong.

Built for Your Future

A clear route from diploma to an optional fast-track bachelor's degree and an international career.

Learn German. Open New Doors.

German language training is integrated throughout the programme – preparing you for internships, everyday life and careers across Austria and Europe.
